## Nubassa

### Refined convenience products

**T**he spice company Nubassa Gewürzwerk GmbH from Viernheim, Germany, provides a multiplicity of products for the quick processing of warm and cold meals. Time saving, easy handling and constant quality convince by a refined natural taste, because many of the offered products are without addition of gluten, lactose, glutamate, milk protein, artificial colourants and preserving agents. Especially the slicable filling- and forming sauces bring variety. The type Dijon-Herbs gives simple meals a savoury spicy taste by its typical mustard note. Cut into form they set a colourful course to many vegetarian- and meat meals and refine also roasts in form of a delicious fillings. With ready-to-eat sauces

A variety of sauces are offered for different dishes.

meat salad, poultry salad or sausage salad can be whipped up fast. Whether Schnitzel, roasts or pasta, with the instant-sauces, like Hunter-, Cream-, Bechamel-, Roast- or Bolognese-Sauce these meal components become a main dish. Especially the fix-products allow a quick, apportionable and calculable processing of conventional side dishes.
